DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with Attorney of record Joseph W. Ragusa on November 22, 2004.

The application has been amended as follows:

In claim 13, line 1, "claim 12" has been changed to --claim 16--.

Allowable Subject Matter

3. Claim 2-11, and 13-22 are allowed over the prior art of record.
4. The following is an examiner's statement of reasons for allowance:

Claim 2-11, and 13-22 are allowed as stated in the applicant's amendment in pages 3-10 on 07/14/2004.

The prior art made of record do not disclose or suggest, a communication device wherein data is transmitted and received via a communication section and a line comprising: decision means for deciding whether or not to transmit and receive data based on predetermined information corresponding to the state of the line or the internal state of the device or whether or not to interrupt communications if the device is currently in a transmission/reception states; and a controller for

controlling said communication section according decision results from said decision means said predetermined information containing prediction results based on a prediction of a data amount to be transmitted or received in current communication, wherein said predetermined information contains information representing a reception level, as substantially described in independent claims 5-7, and 16-18. These limitations, in combination with other remaining limitations of claim 5-7, and 16-18 are not taught nor suggested by the prior art of record.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
